

DUNWICH STATE SCHOOL BEACH WALKATHON

We hope you had a great walkathon, and that you thought about all the important history of Cylinder Beach, Home Beach and Adder Rock as you walked along the beach....

Here are the answers to the Quiz:

Where did the name Cylinder Beach come from?

- A. This was a sheltered beach where they rowed the gas cylinders ashore for the Point Lookout lighthouse. There was a hut in the corner of the beach for storing the cylinders.
